The collection

Three considered studies, ready for your product photography.

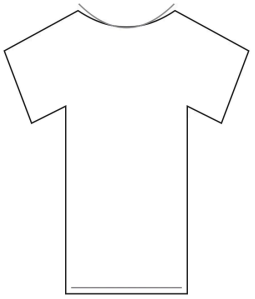

Style A

Replace with product photo

Style B

Replace with product photo

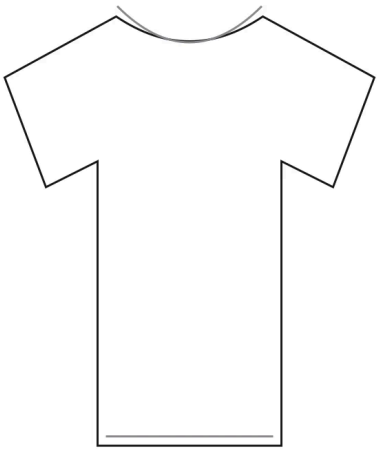

Style C

Replace with product photo

Silhouettes, colours and branding details are confirmed per project.

Details & options

Material

Composition, weight and finish are confirmed for each project.

Construction

Seams, closures and pockets are reviewed during sampling.

Branding

Embroidery, print and labels follow approved artwork.

Fit & customisation

Build the final size chart around your audience and approved fit sample.

Size	Chest	Length	Shoulder	Sleeve
S	-	-	-	-
M	-	-	-	-
L	-	-	-	-
XL	-	-	-	-

Enter actual measurements and units. Confirm sizing against the approved sample.

Fit options Slim / regular / relaxed, subject to fitting.

Customisation Confirm artwork, technique and placement during sampling.
